UMPIRES CORNER

Here are some rules that may help you on the green:

- The jack is driven and bounces back onto the rink from the back board of the ditch?

The jack is alive provided it is **18 metres** from the mat line.

- A player is kicking bowls (PLEASE pick them up!) whilst deciding shots and moves the jack?

An opposing player replaces the jack in its former position.

- A kitty is delivered by a lead and is touched before it stops by a member of the same team?

The kitty is returned and delivered by an opponent who can also place the mat. If it is touched by a member of the opposing team then it is redelivered by the original lead.

Cheers Sandy

Volunteer of the month!

Pauline Roche

is this month's volunteer in focus.

Pauline has volunteered at the Club over a long period of time across many and varied areas, all helping the club to operate and grow in the way it has.

Pauline began assisting with meal preparation for Night Owls back in 2012 which she continued to do over the next few years. She then became a Bar volunteer also helping on the Night Owls nights. When it was decided to change to our current uniforms, Pauline took on the task of measuring, ordering and supplying each member with their new Club uniforms.

Pauline was a Board member in 2016 and 2017 and in addition to her many tasks on the Board she also qualified as our Club Child Protection Officer. Add to this she was one of the inaugural ECH volunteers, helping elderly people to play and enjoy bowls.

Let's get to know what Pauline's favourite things are with some quick-fire questions:

- Pennant Days: **Saturday and Thursday**
- Favourite AFL team: **North Melbourne**
- Favourite meal: **Whiting and salad**
- Favourite movie: **Shawshank Redemption**
- Favourite holiday destination: **Europe**
- Best concert: **Pink**
- Favourite other sport: **Cricket**
- Favourite restaurant: **Hub Tandoor**

Thanks Pauline for your commitment in helping to make our Club what it is today!

Happy Valley Bowling Club is a Good Sports Level Three club.

We are proud of our efforts in promoting health and well-being while reducing risky alcohol drinking and ensuring smoke-free areas. We are one of 7,000 Good Sports clubs across Australia, helping to inspire a healthier sporting nation. Here are some key points from our:

SMOKING MANAGEMENT POLICY (excerpts)

- We recognise that environmental (second-hand) tobacco smoke is a health hazard and that non-smokers should be protected from it
- Smoke free areas support smokers who are trying to quit as well as reduce their overall cigarette consumption
- Our club requires all areas within the boundaries of the Club Greens and Building to be smoke free
- A designated smoking permitted area is located within the car park away from vehicle movements
