GO VALLEY REDS!

ECH CHRISTMAS ON THE GREEN

On Monday 12th December, HVBC continued its partnership with Elderly Citizens Homes (ECH) by hosting a "Christmas on the Green" event.

It was a social occasion with ECH clients from the Happy Valley Day Program and other Southern Area "Wellness" clients getting into the Christmas spirit.

After morning tea, they joined in for some social bowls with many members helping coach and assist with their bowling, followed by a light lunch and Father Christmas. The day was a great success with Henk Smelter from the MBA very impressed with the organisation of the event and friendliness of our Club members.

A very big thank you to all the volunteers who assisted with making the day such a great success!

JOKE CORNER

Evidence has been found that William Tell and his family were avid bowlers. Unfortunately, all the Swiss league records were destroyed in a fire, and so we'll never know for whom the Tells bowled.

UMPIRES CORNER

Some rules from Sandy for tricky situations that may occur on the green:

- A player removes a bowl which is leaning on another causing a bowl to fall in or out.

The opposing player replaces any bowls which have been moved.

The offender has no say so be careful - Just hope the players are honest.

NOTE: Bowls which are leaning on each other need to be chocked so they can be measured!

- The jack is driven and bounces over the backboard or rolls under the carpet or into a hollow in the bank.

These are Dead Ends and are replayed in Pennants or respotted in a social game as per the social game rules.

Cheers Sandy
