

KEY OPPORTUNITIES TO DISPLAY YOUR SKILLS

Volunteers are the backbone of our Bowling Club – without them we would not be the successful club we are. **We now have 3 very important volunteer positions to be filled.** Please consider volunteering for one of these roles to assist the Club to grow and cement the future of the Club.

TREASURER SUPPORT

Ron Hill has been the Treasurer at the Club for many years. With our increased membership impacting member subs, Night Owls, Social bowls, raffles, uniforms and bar takings as well as paying the bills, it is prudent for Ron to have a trained assistant who can support him with duties during the year and when Ron is on holidays. Please talk to [Ron Hill](#) for further information on this role. Ron will also supply full training!

VOLUNTEER COORDINATOR

This is a newly created position looking after our volunteers. This role involves maintaining volunteer levels, preparing rosters where required, arranging training and working with managers of areas such as the Kitchen, Bar and Tournament committee. This is a very important position and a necessary requirement of STARCLUB. [Darrell Wise](#) is the best person to discuss this role with.

SOCIAL COORDINATOR

This position was recently advertised in the August 2019 newsletter. The Board are still looking for someone interested in taking on the Social Coordinator role. The Coordinator will Chair Social committee meetings and in conjunction with other committee members set out an annual calendar for Club Social events and coordinate the running of these events. [Mary Baum](#) is the best person to discuss this role with.

All 3 positions listed above are very important to our Club allowing members to enjoy not only bowls but all aspects of the Bowling Club. Please seriously consider one of these roles and put your hand up to help. There will be an allocated Board Member to support each of these roles.

Have a chat to Ron, Darrell, Mary or any Board member for more information.
