ECH Day Program

For the past few Monday afternoons (weather permitting) a small group of clients from the Happy Valley ECH Day Program have enjoyed some social bowls on our greens.

Christine, the support worker, enjoyed herself so much that she has come out to Monday Night Owls as a "fill in" player.

A big Thank You to Pauline, Judy and Mavis for volunteering your time at the HVBC and for making the lives of these elderly citizens, that little bit brighter.

A Scotsman, an Englishman and an Irishman want to get into watch the Olympics, but they haven't got tickets.

The Scotsman picks up a manhole-cover (it's a new fibreglass one – the cast iron ones have all been replaced), tucks it under his arm and walks to the gate.

"McTavish, Scotland," he says, "Discus," and in he walks.

The Englishman picks up a length of scaffolding and slings it over his shoulder.

"Waddington-Smythe, England," he says, "Pole vault," and in he walks.

The Irishman looks around, picks up a roll of barbed wire and tucks it under his arm.

"O'Malley, Ireland," he says, "Fencing."

Welcome to our new: VENUE HIRE MANAGER FIONA EARL

The HVBC Board is very happy to announce that Fiona Earl (married to Peter) has agreed to take on the role of Venue Hire Manager.

Fiona will be the point of contact for anyone who wants to hire the bowling club and green for private functions. Fiona will liaise with clients, show them through our facilities, agree on requirements and costs and liaise with the Club for volunteers.

Fiona is not a bowler but wanted to help in the club when she retired to meet the people that Peter bowls with.

Here's an insight into Fiona's favourite things:

- Favourite AFL team: **Adelaide Crows**
- Favourite meal: **Anything seafood**
- Favourite movie: **Outlander series**
- Favourite holiday destination: **Scotland but really love every holiday with Peter**
- Best concert: **Edinburgh Tattoo**
- Favourite other sport: **Soccer and swimming**
- Favourite restaurant: **Lenzerheide**

Thanks Fiona!

You have taken on a very important role which can only enhance the future for our members and HVBC's exposure in the community!

Some Q&A:

Q. The jack has been delivered by a lead and is touched before it stops by a member of the same team?

A. The kitty is returned and delivered by an opponent who can also move the mat. If it is touched by a member of the opposing team then it is redelivered by the original lead.

Q. A player removes a bowl which is leaning on another causing a bowl to fall in or out?

A. Bowls which are leaning on each other need to be chocked so they can be measured. If you allow a bowl to fall in by removing another then the opponent may replace it. They may choose not to if you have helped them get closer!

Q. A player is kicking bowls whilst shots are being decided and moves the jack?

A. An opposing player replaces the jack in its former position.
