COACH'S CORNER – Peter Barrett

With Pre-Season not too far away, I'll run through this year's Coaching Plan on **Tuesday 30th August at 10.30am for all Pennant players.**

In addition, I would like to conduct a session in the Clubhouse called, "What Works What doesn't" which involves asking you 9 questions, with about 9 responses to each of the 9 questions. I would like you to rate each response by rating them from 0 response (unimportant to you when bowling) through to a 5 which is the most important thing to you, (or anything in between.)

At the end of the exercise, I'll give you the same responses to these questions from 34 of the best Bowlers in Australia. Come and see if you agree with them!

Bring your **own biro**, to mark your paper, you can take the results & your paper home with you for future reference.

I'll put out a sheet in the Clubhouse for you to register your attendance prior to the date, *(because I need to know how many sheets to print off so that everyone that wants to participate can.)*

Should be any interesting exercise..... see you then.

Regards

Peter
