HVBC BOARD

We have been requested by some members to explain what each Board members' roles are and what they are responsible for.

In the next column, all current Board members are listed with a summary of their responsibilities.

When each new Board is appointed at an AGM, responsibilities may be reallocated dependant on individual Board members' skills and knowledge.

THIS MONTH'S FUNNIES

A group of chess enthusiasts checked into a hotel and were standing in the lobby discussing their recent tournament victories.

After about an hour, the manager came out of the office and asked them to disperse. "But why?" they asked, as they moved off.

"Because," he said, "I can't stand chess-nuts boasting in an open foyer."

ETIQUETTE REMINDERS

- Remember to pick up the mat if your opponent has had the last bowl of the end
- All players should help kick bowls back when they can – the Lead whose team has won the mat should get the mat and place it first then help
- Keep off adjacent rinks
- Be a humble winner and a gracious loser
