## CONGRATULATIONS

AVIS AND RAY STEER!

The contribution that Avis & Ray Steer have made to the HVBC over many years and in many roles was recognised at the 2022 AGM when they were both awarded Life Membership. Our President, Mary Baum, presented them with a gift followed by Life members, Judith Pike and Beryl May, presenting them with a pin.

### Feedback from the AGM & Season Review

The Pennant Season Review and Information session was well patronised with some 56 members in attendance. Mark Taylor presented an informative table of how our Club fared across the MBA Competition/Divisions last season. Most HVBC teams held their colours with one promotion and one demotion next season. 2021/22 saw a steady number of new Night Owl players with some making the transition to Pennant next season. There was discussion about the recruiting and retainment of players to/within our Club, a High-Performance Coordinator's Position to be readvertised, plans to increase player comfort by increasing shade/shelter/social areas, ideas for the Club's 40<sup>th</sup> Anniversary & Season Opener, how we manage the disposal of rubbish at our Club & whether we want one of the two Div 5 teams next year to play in the Sth West rather than having two in the South.

## COVID AND HVBC

Covid restrictions have been relaxed and both members & guests no longer need to QR code in or wear a mask. If you feel more comfortable wearing a mask indoors, please do. Social distancing is still important as is the need to wash and sanitise your hands thoroughly. If you do not feel well, please do not visit the Club and if you come down with Covid please contact our Club.
