Happy Valley Bowling Club Div 5 Sth Premiers!

Well done to all players who competed and won on the day and those who helped throughout the season in getting our Div 5 Sth (Red) team to the finals and then on to winning a Pennant. What a great turn-out of supporters our team had, as they battled against a determined team from Christie Beach, at the Brighton Bowling Club.

Our recent Information Afternoon was well attended with some 50 members present. This has been a great initiative from our current HVBC President Mary Baum who, along with the Board is very keen to share information and exchange ideas.

SA Health are implementing some changes to what is required by Clubs such as ours, in the way we handle food, effective from 8th December 2023. It would be ideal (but not compulsory) if any member who handles unpackaged food does the free on-line food safety training:

<https://dofoodsafely.health.vic.gov.au/index.php/en/>

Please do not feel intimidated by the free online course, there are very short 'modules to read' and it is not difficult or time consuming. The more members that complete this, the better.

Mary Baum and Liz Dempster will complete the Food Safety Supervisor's course which will be paid for by the Club.

Congratulations to all members who have successfully completed SA Bowls accredited Umpiring and/or Measuring Courses last season. Well done to: Susan & Robert Nelson, Malcolm Uren, Bruce Noll, Liz white & Scott Litchfield.

CHRISTMAS IN JULY CANCELLED.

We have had to cancel our plans to have Christmas in July at our Club this year. It is proving difficult to find a reasonably priced caterer who can accommodate us and the upgrade to our club toilets and bathroom areas will be occurring sometime in July.

SCREENING OF BLACKBALL

Sunday 6th August at 2pm for a screening of the British movie, Blackball. Loosely based on a true story, [Paul Kaye](#) plays Cliff Starkey, a bowls player whose presence on the sacred greens of Torquay doesn't see him welcomed with open arms: Cliff has punk hair, wears scruffy clothes and carries his bowls in a carrier bag. But he's brilliant at his chosen sport and soon acquires an American agent who propels his protégé into the big time. But fame has its price - along the way Starkey risks losing both his best Trev and girlfriend Kerry.
