

Wednesday Afternoon Tea Roster

The afternoon break is at: **1.45pm – RING THE OUTDOOR BELL**

Arrive at the Club at **1.00 PM**

Look at the composition of teams (pairs, triples & four's) and note the rink numbers.

Allow 1 packaged cheese/crackers pp per table & 1 packaged fruit cake pp per table.

Place rink numbers and a money wallet on each table (if not done).

Make sure that the white serviettes are on the table.

There are 2 tea/coffee stations (opposite sides of the clubrooms) to split up the volume of players in the same area.

Place a jug of water next to each urn (if not done).

Put milk out beside the urns.

Fill the dishwasher (if not done).

Wash the cups, remove the rubbish, refrigerate any left-over cheese in the glass fridge & dry store the cake. Since it is pre-packaged, we can re-use so.

Please re-set the cups, top up the coffee/tea etc by the urns, ready for next week.

Please wipe the tables down. **Please recycle rubbish as much as possible.**

Empty the bin.

Empty the dishwasher and turn it off.
