Our outbound journey will follow the northern bank of the **Murray River** and will pass through the historic towns of **Eudunda** and **Morgan** before turning east towards our first destination for the day in **Renmark**.

On arrival in Renmark, we will disembark at the **23rd Street Distillery** for lunch. Situated on a site that was founded and operated as a winery, the award-winning distillery and visitor centre occupy grand buildings, rich with local history.

With our appetites satisfied, we board our coach for the shorter drive to **Mildura**. For the next five nights we will be staying at the **Commodore Motel (Ph. 03 5023 0241)**. Nestled on the banks of the Murray River, Mildura is a vibrant regional city renowned for its sunny climate, citrus orchards, thriving wine industry and iconic annual lawn bowls carnival!

After checking in to our accommodation, we will have some time to relax before a welcome dinner at the **Mildura RSL**.

DAY 2 - DAY 5 | THURSDAY 2 - SUNDAY 5 MAY 2024

Between Day 2 and Day 5 of our tour, you have the opportunity to join the competition at the May Carnival and/or explore Mildura at your leisure. The **Mildura Bowls Club** will be a hive of social activity throughout the week and you will be amongst friends (and friendly competitors) bonded by your common participation in this iconic regional sporting event.

Daily transfers are included between the **Commodore Motel** and the **Mildura Bowls Club** for your convenience. Breakfast is available daily at your accommodation and is included within your package.

DAY 6 | MONDAY 6 MAY 2024

With your competitive spirit satisfied, we depart Mildura. Our return journey will follow the southern bank of the Murray River where you will enjoy long vistas across the pristine landscapes of the South Australian Riverland.

We stop in **Kingston-on-Murray** at the **Banrock Station Winery and Wetland Centre**. Nestled in a meandering section of the Murray River, this venue and attraction seamlessly combines wine production with environmental conservation.
